# The World is Your Workplace

STYLISTIC R726

## Be productive anywhere. With one device.

Sometimes, one device is all you need. The FUJITSU Tablet STYLISTIC R726 with Intel® Core™ i7 vPro™ Processor is a 2 in 1 device that effortlessly transforms from a business tablet to a business notebook. Combining full-fledged processor performance with smart mobility features. With its 12.5-inch screen (31.8 cm), the tablet is perfectly balanced for productive mobile working. And it's also light and robust enough for the go-anywhere flexibility that today's mobile professionals need.

Intel Inside®.  
Powerful Solution  
Outside.

# Work How You Want

The STYLISTIC R726 with Intel® Core™ i7 vPro™ Processor is designed for unlimited usability – you choose how you want to work. Use your fingers and a digital pen at the same time: the STYLISTIC R726 supports both. Or transform the tablet to a notebook by snapping on the magnetic keyboard – and work for up to 9.5 hours without recharging the battery. Future-proof security features protect your data, wherever you are. You can rely on 4G/LTE for true mobile connectivity. And when you're back at the office, simply slot the STYLISTIC R726 into a cradle to get your full desktop experience.

- Audio combo port
- USB 3.0 (with Anytime Charging)
- Mini DisplayPort
- DC-in
- MicroSD card slot
- Micro SIM card slot

- **Powerful and responsive 2 in 1** – fast booting, instant-on and full notebook capabilities with anti-glare display to give you an outstanding user experience
- **Tablet or notebook, you decide** – snap on the magnetic keyboard and pull out the integrated kickstand to transform how you work with the device
- **Mobility first** – light yet robust magnesium and aluminum housing at only 830 g (1.83 lbs), UC&C-ready, up to 9.5 hours of battery runtime
- **Go-anywhere connectivity** – optional embedded 4G/LTE with GPS, NFC, Intel® Pro Wireless Display
- **Excellent enterprise manageability** – Intel® vPro™ technology, encrypted drives, TPM and next-gen NFC-based SmartCard authentication, optional cradle for comfortable working in the office

Intel Inside®. Powerful Solution Outside.

**31.8 cm (12.5-inch) anti-glare PLS display option**  
Work in any ambient lighting – even outdoors – without screen reflections to distract the viewing experience

**Magnetic keyboard**  
Snap the slim, lightweight keyboard easily into place – even with one hand

**2 in 1 multi-mode design**  
Transform the way you work by switching effortlessly between tablet and notebook modes

**Integrated 135° tablet stand**  
Adjust the tablet to your preferred angle and work anywhere – on your daily commute, in the coffee shop or on a pull-down table during a flight

**Windows 10 Pro for pen or multi-touch input**  
Work with the Fujitsu digital pen or your fingers; or attach the keyboard: with handwriting recognition, digital signature capability and the Windows 10 ecosystem and features like Continuum, the STYLISTIC R726 enables you to transition seamlessly between modes

**Cradle**  
Switch from mobile to desktop productivity without even detaching the keyboard

→ **Enterprise performance and security**  
Latest Intel® Core™ i7 vPro™ Processors deliver superb performance with the extended battery time to work longer away from a power outlet. TPM and encrypted drives keep your data safe.

→ **Wireless display technology**  
Present your content wirelessly on an enabled receiver like Intel® Unite or a WiDi dongle.

→ **Serviceability**  
Devices can be upgraded and serviced on your premises through Fujitsu partners.
